

# Restart<sup>®</sup> Builder

A palatable daily supplement providing a source of cool calories, omegas 3 & 6, protein, fiber, vitamins, trace minerals, and probiotics to improve overall body and coat condition.

Horses often need extra help to maintain gut health, or to gain and maintain weight. Restart<sup>®</sup> Builder is a conditioning mash perfect for hard keeper horses, providing added energy and nutrition needed to support body condition and overall appearance. Restart Builder provides well-balanced health support with Omegas, proteins, vitamins, and beneficial bacteria to help maintain feed efficiency and overall health. Packed with easily absorbable proteins, chelated minerals, and beneficial bacteria, Restart Builder is the all-in-one product needed to maintain weight, improve top line and muscle in the croup and neck, and support gut health.

**KEY FUNCTIONAL COMPONENTS:** Omega's 3 & 6, Easily absorbable proteins, Probiotics, Chelated minerals, Antioxidants
